Furniture Moving Made Easy

Wabash Furniture Bodies are designed to fit any job size. Our durable solutions secure and protect cargo, provide maximized cubic carrying capacity, and make loading and unloading easier. That's a furniture transport vehicle that brings improved business efficiency, as well as peace of mind.

Features

- Laminated, sanded, and varnished hardwood floors, as well as varnished, plywood-lined walls and ceiling, provide added cargo protection
- Double-slotted logistics posts secure cargo and increase capacity
- Heavy-duty FiberPanel® (FRP) front wall minimizes damage
- LED dome light with rear switch - hot wired
- Solutions available for traditional, alternative fuel and electrified chassis
