Get the Job Done with Ease and Simplicity

Loading and transporting bulky and palletized materials can be cumbersome. That's where the durable and versatile Wabash Platform Body comes in. Whether the job is for construction, lawn care, golf courses, nurseries, farms, or parks and recreation, these platform trucks make it easier to get the job done.

Features

- Durable frame that includes a 6" C-channel perimeter, 4" I-beam cross members on 12" centers, and 6" structural longsills stands up to the heavy-duty cargo haul
- 3/8" steel band outside stake pockets protect and secure cargo from impact
- Multiple slat, bulkhead and cargo control options make configuration for your specific requirements easier
- Solutions available for traditional, alternative fuel and electrified chassis
